## REPORT ON TEACHING AND LEARNING: SCHOOL REPORT CARD SCHOOL YEAR 2011-2012

East Boston High School

(617) 635-9896

| Grades: |  |
| :--- | :--- |
| Zone: |  |
|  | High |

The Report on Teaching and Learning (RTL) is designed to serve as a useful tool for families and to comply with the reporting requirements of the federal No Child Left Behind (NCLB) law. The data found in this RTL is from the 2010-2011 school year (SY), except where noted. This report can help parents gauge how successful their child's current school is and/or help them decide where to send their child to school. It is important to visit any schools being considered in order to get the full picture of a particular school.

| OUR STUDENTS (SY 2010-2011) |  |  |  |
| :---: | :---: | :---: | :---: |
| Total Enrollment | 1382 | Average daily student attendance <br> Both excused and unexcused absences are counted as absences in this rate. | 82.5\% |
| African American/Black | 14.0\% |  |  |
| Hispanic | 67.3\% | Students promoted to the next grade This includes students promoted in June as well as those who completed summer school successfully. | 80.0\% |
| White | 15.6\% |  |  |
| Asian | 1.9\% |  |  |
| Mixed/Other | 1.2\% | Student mobility rate <br> This indicates the percentage of students who attended only a portion of the school year at a given school. Any student who moved into or out of the school between October and June adds to the mobility rate. | 23.8\% |
| Special Education | 17.2\% |  |  |
| Male | 52.2\% |  |  |
| Female | 47.8\% | Annual student dropout rate (as of June 2011) <br> A student is considered to be a dropout at the end of the school year if he/she is not in school, has not graduated, and has not transferred to another school system. Students who return to the school or graduate by October 1 the following school year will not be counted as dropouts in the Final Dropout Report. This rate applies to grades 6 through 12. | 3.7\% |
| English Language Learner (ELL) | 30.0\% |  |  |
| Low Income <br> Students eligible for free or reduced price lunch. | 84.2\% |  |  |
| OUR STAFF (SY 2010-2011) |  | Number of students suspended Includes in-school and out-of-school suspensions | 0 |
| Staff is defined as all school employees who assist in the education process, including teachers, paraprofessionals, content coaches, guidance counselors, librarians, and administrators. |  | OUR TEACHERS (SY 2010-2011) |  |
|  |  | Number of teachers | 89.1 |
| Total | 121 | Student:Teacher ratio <br> The student-to-teacher ratio indicates the number of students per teacher in the school. | 15.5:1 |
| Black | 14.0\% |  |  |
| Hispanic | 19.8\% |  |  |
| White | 64.5\% | Teachers licensed in Massachusetts | 95.5\% |
| Asian | 1.7\% | Core academic courses taught by highly qualified teachers <br> To be considered highly qualified, a teacher must have: <br> 1) a bachelor's degree, 2) full state certification or licensure, and 3) subject matter competency. | 93.7\% |
| Native American | 0.0\% |  |  |
| Average daily staff attendance | 95.5\% |  |  |

## ADEQUATE YEARLY PROGRESS (AYP)

Adequate Yearly Progress (AYP): Under the federal No Child Left Behind (NCLB) law, all students must achieve proficiency in English Language Arts (ELA) and Mathematics by the year 2014. Each year, improvement toward this goal is measured by performance on the Massachusetts Comprehensive Assessment System (MCAS) tests. For each school, AYP is based on the number of students taking the MCAS (participation) and their performance and improvement over time. For each subject, the school must meet annual targets for all students and all student subgroups. The subgroups include: students who are English language learners (ELLs), students with disabilities, students eligible for free or reduced price school lunch (low income), and racial/ethnic groups (African

There is no Native American subgroup listed on the report because the required sample size was not met for any school. To make AYP, the school as a whole and each student group must meet a student participation requirement, either the state's performance target or the school's improvement target for the subject, and an attendance target (elementary, middle, and K-8 schools) or a graduation rate target (high schools). According to the NCLB, schools that do not make AYP in ELA and/or Mathematics for a student group for two or more consecutive years are considered to be identified for Improvement, Corrective Action, or Restructuring. Such schools, if receiving Title I funds, also are required to offer a school transfer option and/or supplemental education services (tutoring). American/Black, Asian/Pacific Islander, Hispanic, Native American, and White).

## AYP HISTORY

## MASSACHUSETTS COMPREHENSIVE ASSESSMENT SYSTEM (MCAS) RESULTS: 2-YEAR TRENDS

The charts below show our MCAS results in English Language Arts, Mathematics, and Science from the past two years (Spring 2010 and Spring 2011 ). The percentages are students scoring at each of the four performance levels, which are Advanced, Proficient, Needs Improvement, and Warning/Failing. For more information on MCAS, please visit http://www.doe.mass.edu/mcas.

$$
A=\text { Advanced } \quad P=\text { Proficient } \quad N \mathrm{I}=\text { Needs Improvement } \quad \mathrm{W} / \mathrm{F}=\text { Warning/Failing }

SCIENCE

MASSACHUSETTS COMPREHENSIVE ASSESSMENT SYSTEM (MCAS) RESULTS: STUDENT GROUP PERFORMANCE ON MCAS SPRING 2011

The tables below show Spring 2011 MCAS results in English Language Arts (ELA), Mathematics (Math), and Science for each grade level tested at our school, compared with district and state averages. Results at the school level include percentages of students by subgroup (program, gender, race, and income level) scoring at each of the four performance levels. The tables also include the Composite Performance Index (CPI), which is a 100 -point index that assigns 100, $75,50,25$, or 0 points to each student participating in MCAS and MCAS-Alt tests based on their performance. The average of all students' points in a school or a subgroup constitutes a school or subgroup's CPI for that subject. The CPI is a measure of the extent to which students are progressing towards proficiency (a CPI of 100) in ELA and Math, as reported in the AYP report.

Also included are the median Student Growth Percentile (SGP) and the number of students included in the SGP calculation (Inc SGP) for each group. Massachusetts measures growth for an individual student by comparing the change in his or her MCAS achievement from one year to a subsequent year to that of all other students in the state who had similar historical MCAS results (the student's "academic peers"). This change in achievement is reported as a student growth percentile (SGP) and indicates how low or high (1 to 99) that student's growth was compared to that of his/her academic peers. SGP is calculated separately for ELA and Math. SGP for a school or subgroup is reported as the median SGP for that group; there must be at least 20 students in a group to report SGP. Overall results are only reported if the student group is 10 or more.

| report. | group is 10 or more. |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |

## Spring 2011 Accreditation Status: Accredited

To be accredited means a school has met the standards of the New England Association of Schools and Colleges (NEASC). In order to earn this status, a school must conduct a self-study and then undergo an evaluation by the NEASC, a very thorough examination process where schools are measured by the following seven standards: Mission and Expectations for Student Learning, Curriculum, Instruction, Assessment of Student Learning, Leadership and Organization, School Resources for Learning, and Community Resources for Learning. The accreditation process takes approximately two years.

Cohort 2010 4-Year Graduation Rate: 58.0\%
Cohort 2009 5-Year Graduation Rate: 58.5\%

Graduation rates track a cohort of students from 9th grade through high school. The 4-year rate represents the percentage of the cohort that graduate in 4 years or less. The 5-year rate represents the percentage of the cohort that graduate in 5 years or less. These rates are also part of the AYP determination for high schools.

SAT Reasoning Test

 Schools), and the state of Massachusetts.

| SUBJECT | East Boston High School | Boston Public Schools | Massachusetts |
| :--- | :---: | :---: | :---: |

| Mathematics | 432 | 461 | 521 |
| Writing | 401 | 427 | 500 |

| The information below is pros |
| :--- |
| What makes our school special? |
| Working with the East Boston Youth Workers Task Force, 9th graders can receive |
| surround care in and out of school. Our IGNITION program allows for upperclassmen to |
| mentor freshmen and sophomores. We are a PULSE supported site, providing |
| afterschool tutoring for freshmen. We offer an afterschool program for ESL I and II |
| students that is run by the Talented and Gifted Latino Program at U Mass Boston. We |
| have a full time Talent Search representative in the building and two full time Gear Up |
| representatives on site to support our students' college goals. We have a Boston |
| Scholar Athlete Zone in place, to keep out student athletes academically strong. The |
| headmaster, Mr. Michael Rubin, runs a Ten Boys mentoring program that recruits |
| students in tenth grade. We have an active Debate Team that, in their second year, has |
| won two Citywide Debate Tournaments. We are an AVID (Advancement Via Individual |
| Determination) School, providing supports to students who may be below honor roll |
| but have their sights set on college. Students have the opportunity to participate in |
| Wheelock College Upward Bound, the Harvard Crimson Summer Academy, and have |
| also participated in the Dartmouth SEAD (Summer Enrichment at Dartmouth) program. |
| Our school offers Advanced Placement classes in English Language, English Literature, |
| Statistics, Calculus, Human Geography, U.S. Government, Environmental Science, |
| Biology, Chemistry, Art, Spanish Literature, Spanish Language, and Computer Science. |
| We have a partnership with Zumix that brings in music educators to work in our content |
| classes to teach students about poetry, songwriting, radio journalism, and scores for |
| short films. This is the inaugural year for The East Boston High School / Zumix drumline. |
| We offer chorus and theater classes and have an active after school drama program. |
| We have a full time representative from the Boston Private Industry Council on staff to |
| work with students on interview and job skills. We participate in dual enrollment |
| programs with Benjamin Franklin Institute of Technology and Bunker Hill Community |
| College. Our athletic program is regularly recognized as one of the best in the city. |
| Teams from East Boston High School have won the Citywide Science Fair for two years |
| consecutively. |
| We work with the College For Every Student foundation to help coordinate college |
| access opportunities for all of our students. |

How are we preparing students for educational success?

1. This school year teachers are receiving professional development in Literacy Across the Curriculum (conducted by the Boston Debate League) 2. Students in grades 11 and 12 who have not yet passed the MCAS receive additional supports that include: a. before and after school tutoring program in ELA, math, and science, b. a staff mentor, c. MCAS-focused English and math classes. 3.All classrooms are equipped with a minimum of a computer, an LCD, a printer and access to the Internet. Classroom teachers frequently use our generic computer lab for projects and/or research. Our Library Media Center recently received 25 new computers. 5. Resources include: a. working with the College for Every Student Foundation to prepare our students for opportunities that lead to college, b. providing tutoring through the EB Youth Workers Task Force, the PULSE academic site, and the AVID program, c. providing enrichment opportunities through the summer academies at Harvard and Dartmouth, c. offering dual enrollment through Bunker Hill Community College and Benjamin Franklin Institute of Technology.

## How do we engage families in our school community?

EBHS has an on-site Parent Involvement Center, whose mission is to help parents understand the school's curriculum, policies, and assessments (such as MCAS). Other connections include:

1. direct contact through telephone and home meetings
2. newsletters and e-mail announcements of school events
3. translations of school informational packets
4. classes and workshops for parents
5. "Parent Orientation" night in October with school administrators
6. "Parent/Grade 8 Orientation" day in the Spring
7. Parent volunteers place calls to the homes of tardy students daily
8. Bilingual parent meeting are held several times during the school year
